Ryan Bruder a scout looking to do a project at the rec center. We spoke at an earlier meeting about making the backyard more playable for the kids, as it is a mud pit. We could also do a lean-to. We cannot contribute and funds to the project, but the scout can get contributions from local suppliers. April 7<sup>th</sup> we will have a list of needs for Ryan.

Katie Duff – Hanover Day – June 19<sup>th</sup> & 20<sup>th</sup>. Carnival on Friday night need selectman approval still – crafts on Saturday and fireworks. Insurance is covered by the town for the Cultural Council. Is insurance required for the vendors? A liability form was signed/initialed by the vendors that are coming this year. The carnival has their own insurance. It is a very successful event. Fire and police chiefs are involved.

Lauren will let hyaa know that and all permit holders that Hanover day will be setting up early in the week and that it will be closed Friday and Saturday night.

Park and rec will be set up at our tent near the bathrooms. Katie will place our registration link on her page.

Nancy Devlin and Donna Pineau– here about the dog park. We are not looking to take away a ball park and give a dog park. They are looking for an area that has parking and plenty of it. Donna was thinking that a dog park would be good at FPP. Randolph has a dog park, and he might have more information. They are looking to possibly have a permit needed to use the park, another area would be possibly behind shaws.

Or the land behind the senior center that is ours. They will talk to Robin Mitton.

Gazebo now to begin construction labor day.
